Judge Aleta Arthur Trauger  
Estes Kefauver Federal Building  
801 Broadway  
Nashville, TN 37203

Dear Judge Trauger:

Respectfully, please do not sentence jail time on July 2 for the peaceful protesters - Vaughn, Gallagher, Idoni, Zastrow, Boyd, and Green. Please be as forgiving and lenient as possible.

I believe the FACE Act should be repealed to allow for peaceful protesters to be at the abortion clinics and pray. Praying is a privilege to call on God for patients and the unborn baby's behalf and not an act of intimidation.

Thank you for your prayerful attention to this matter.

Respectfully,

Mrs. Gertrude Miller
